

## Provider Access Policy (2020-2021)

1. This policy statement sets out the Academy's arrangements for managing the access of providers to students at the Academy for the purposes of giving them information about the provider's education or training offer.
2. Management of Provider Access Requests

### 2.1 Procedure for Provider Access.

A provider wishing to request access should contact Ms Kat Maguire, Careers Leader on 020 8240 6700 (ext 75031) or via email at [kat.maguire@oasisarena.org](mailto:kat.maguire@oasisarena.org)

### 2.2 Opportunities for access.

A number of events, integrated into the school careers programme, will offer providers an opportunity to come into school (where restrictions allow or if not, virtually) to speak to students and/or their parents. (See Appendix 1). Under the school's child protection and safeguarding policy, we ask providers who will have the opportunity for regular contact with children to have a DBS check in place. They will also be subject to reasonable supervision.

### 3. Premises and facilities.

As restriction allow, the school will make the main hall, classrooms, or private meeting rooms available for discussions between the provider and students, as appropriate to the activity and current government recommendations. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the careers leader. Providers are welcome to leave a copy of their prospectus or other relevant course literature for the careers library. The library is available to students at various points throughout the school day.
