## Use of Microsoft Teams

Dear Parent and carers

As you may know, we are continuing to use Microsoft Teams with all of our students, even though we are back in school, and like you, I very much hope that all schools stay open in order that we can continue to give all of our students the education that they deserve.

We are using MS Teams to do knowledge tests, that support the work we are doing in school to ensure that each and every child understands the knowledge that we teaching each day.

I would be very grateful if you would let us know by contacting the school via [Yourarena@oasisarena.org](mailto:Yourarena@oasisarena.org) if you have any issues with supporting your child with logging into teams. One of my team will then be in touch. We will also be talking to your children about this log on process within school.

I have attached the leaflet on using MS Teams to this letter to support with this process.

Many thanks for all your support.

Yours sincerely,

Thomas Raymond  
Principal
